During the past few years at Galati, ordinary apartment houses have been suddenly condemned and wrecked. The tenants are given 48 hours to move and are not offered alternative accommodations. The bricks are salvaged and shipped to Odessa on barges. The houses wrecked are often in good condition. It is believed that the purpose of these demolitions is to obtain open spaces in various parts of the town. The following streets have now been almost completely pulled down: Strada Mare, Strada Domneasca, Strada Brasoveni, Strada Artelor, Strada Armeana.
